ATISN 24594 Cardiff University meetings and correspondence

Information requested

Thank you for your request which I received on 28 March 2025. You asked for:

1. Minutes of any meeting where the possibility of representatives of Cardiff University and the University of South Wales discussing the end of nursing education at Cardiff University was raised,
2. briefing supplied to officials in support of their statement that there is no role for the Welsh Government to formally authorise or not authorise conversations between providers,
3. the names of attendees at such a meeting, and
4. any email correspondence relating to such a meeting.

Our response

Following a search of our paper and electronic records, I have established that a meeting has not taken place where the possibility of representatives of Cardiff University and the University of South Wales discussing the end of nursing education at Cardiff University was raised. Therefore, I can confirm that the information you have requested is not held by the Welsh Government.
