

Minister and UW

25 November 2024

10:20

Welcome

Discussion on flooding and impact - campus opened

Minister asked about private housing

Anything we can do

Study and work in Wales - address participation but also international

Industrial Strategy

Financial challenges

- Inflationary uplift in England would be welcome - any progress

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

- Infrastructure and estates development -

[REDACTED]

[REDACTED]

- Transformation agenda - support for this

[REDACTED]

[REDACTED]

[REDACTED]

Need to reiterate stability and continuity of message

[REDACTED]
[REDACTED]
Minister - principles of social partnership

Minister - what can she do with other ministers?

Industrial strategy - plea for better use of SPF

Adv Man, Clean Energy, Life Sciences, Creative - [REDACTED]
[REDACTED]

More to be done in skills

VH - still trying to get meeting with JS in post

Campaign - Study and work in Wales

Far fewer Welsh students getting A levels

VH - likes idea of publicity campaign

Targets for FE?

[REDACTED] - any move on Seren, they'd be v happy to participate

Targets for participation need some thought

Creative skills model in USW - can we use that as a template for other areas, brings together skills and research, WBL and other sectors
