

30 April 2025

Dear

ATISN 24618

Thank you for your request which I received on 2 April 2025. You asked for the following:

A breakdown of vehicles in use (owned / leased) within each department of the Welsh Government by fuel or energy type, e.g. petrol, diesel, hybrid, plug-in hybrid (PHEV), battery electric (BEV). I'm mainly interested in EV adoption, so if it's not possible to discriminate into the different types, ICE v BEV is acceptable.

Also to include the fuel type of the vehicles typically used by the minister(s) within the departments for their official duties.
