Good morning [REDACTED]

Wonder if you can help?

We've received an email this morning from Pembrokeshire National Park regarding the implementation of the above. We are concerned about the implications for CAMpRA Rally

Group, who as you know, issue certificates to land owners exempting them from the requirement for a campsite licence.

If this is implemented, It will be extremely disappointing, since the purpose of National Parks is to allow access to all.

Hope you can help.

Kind regards
