Dear XXXX XXXX,

I understand that you are Governance & Clinical Services Director for Kaleidoscope Project. I am the Senior Registration Manager at Healthcare Inspectorate Wales (HIW), I manage the HIW Registration Team's activities

in respect of [The Independent Health Care \(Wales\) Regulations 2011](#) and The Private Dentistry (Wales) Regulations 2017.

HIW has previously engaged with Kaleidoscope Project to determine whether the services offered by Kaleidoscope Project require registration under The Independent Health Care (Wales) Regulations 2011. It was previously established that registration was not required for the services offered at that time. However, it would be beneficial for HIW to meet with yourself and/or other representatives of Kaleidoscope Project to discuss the services provided and how these operate.

Could you please advise whether it would be yourself or another member of your organisation to start these discussion with?

Please feel free to contact me on the number below if you wish to discuss this matter further.

Kind regards XXX

Good afternoon XXXX,

Thank you for taking the time to meet with HIW to discuss the services provided by Kaleidoscope Project.

Following the meeting HIW has considered the information provided and the implication with The Independent Health Care (Wales) Regulations 2011 (legislation.gov.uk). HIW have concluded that registration would not be required and no further action is required from yourselves in respect of this matter.

Please see attached letter that sets out our reasoning for this decision.

Please do not hesitate to contact HIW if you wish to discuss the service provision of Kaleidoscope Project in future.

Kind regards XXX
