Dear

Complaint in respect of ATISN 24951 Wind Farms

Thank you for your email which was received on 29 July 2025. I have conducted an internal review which I have conducted in accordance with the procedure outlined in the Welsh Government's Practical Guide for Making Requests for Information which is available by post on request or via the internet.

For the reasons set out in the response letter, I conclude that the exception is properly being applied. I understand that this maybe disappointing, and I would like to offer a follow-up conversation with officials from WG and/or Trydfan who would be happy to talk to you in more detail about the process you refer to in your follow-up email. If this is something you would be interested in, please contact EnergyPolicyMailbox@gov.wales and we would be happy to arrange any follow-up meetings for you.
