Dear

Julie,

Thank you for your email of 30 October regarding Welsh Language provision on Great Western Railways (GWR) new train fleet.

I will be raising this matter directly with [REDACTED] of Great Western Railways and [REDACTED] of Network Rail at a meeting we are due to have shortly regarding performance and the rollout of the new Intercity Express trains.

I see the introduction of this new fleet of trains as an opportunity for GWR to improve the provision of information in Welsh on their services, such as via automated announcements and on train passenger information screens, and I will be looking for them to deliver this improvement.

Yours ever,
Ken
