Dear Mr Townend,

Welsh Government Energy Service – Grant Offer Letter

I am pleased to inform you that your application for grant assistance from the Welsh Government Energy Service, as set out in your application form of **12/11/2021**, has been approved.

The following documents are enclosed with this letter:-

- Single letter with "Acceptance Declaration" at the end
- Scheme Conditions of Grant – Preparatory Funding
- Scheme Grant Claim Form – Preparatory Funding.

Unless otherwise stated, capitalised expressions used in this grant offer letter have the meanings given to those expressions in the conditions of grant referred to above.

Offer of Grant

The offer of grant is for a maximum of **£11,350** (Eleven Thousand Three Hundred and Fifty Pounds) or **100%** of the Eligible Costs, whichever is the lesser amount.

For the purposes of this grant offer and the Scheme Conditions of Grant – Preparatory Funding, the "Eligible Costs" and "Payment Milestone" are/is as follows:-

- "Eligible Costs" means the fee payable by you, the recipients to prepare an electrical design for the connection works at the substation, undertake earthing studies to inform the electrical design, submit a planning application (i.e. the fee to LPA), and project management services, as referred to in your application and further detailed in the "Special Conditions" below;
- "Payment Milestone" means the completion of the work as referred to above.

The grant offer set out in this letter is subject to the Scheme Conditions of Grant – Preparatory Funding enclosed with this letter and the "Special Conditions" set out in the following section of this letter.

Gwasanaeth Ynni Energy Service

Special Conditions

Unless otherwise expressly agreed in writing by the Energy Saving Trust, the scope of the legal support and tax advice to what the grant offer sets out in this letter must be consistent with what is envisaged in the quotes provided with your application.

To receive a grant payment before paying for the Eligible Costs, you must provide the Energy Saving Trust with the un-receipted invoice for the Eligible Costs from your supplier along with the grant claim form. You must then provide to the Energy Saving Trust within two weeks of receiving the grant payment the receipted invoice for the eligible costs from your supplier and a copy of a bank statement as evidence of the full payment of these invoices being made from your bank account to your supplier.

You must provide evidence of the legal advice work

Claiming the Grant

In order to claim your grant, you will need to complete and sign the enclosed Scheme Grant Claim Form – Preparatory Funding. This form, together with all necessary supporting documentation, should be submitted either by electronic format or to the following address:

Welsh Government Energy Service,
Energy Saving Trust
33 Cathedral Road
Cardiff
CF11 9HB

If you fail to submit a properly completed grant claim form, together with all necessary supporting documentation, by the **31/03/2022** then the grant offer set out in this letter will lapse and you will lose your entitlement to receive that grant.

Accepting this Offer of Grant

If you wish to accept this offer of grant, please sign and date the acceptance declaration at the end of this letter and send this to me by no later than the **10/12/2021** through electronic format or post. If you fail to return a duly completed acceptance declaration by this date, the grant offer set out in this letter will lapse and no longer be capable of acceptance.

If you have any queries about the offer of grant set out in this letter, please email us on enquiries@energyservice.wales or refer to your Development Officer.

Yours sincerely,

Gwasanaeth Ynni Energy Service
