

24 September 2025

Dear

ATISN 25135

Thank you for your request which I received on 9 September. You asked for the following information:

In the “trail areas” for 20mph Buckley and Wrexham.

How many deaths or serious injuries have reduced / increased because of the 20mph introduction, not, since the 20mph introduction.

Our response

There is no information held by Welsh Government. We do hold data on fatalities and serious injuries since the introduction of the 20mph speed limit, but we cannot attribute a collision to specific policy. We would only be able to provide data on how many people were killed or seriously injured since the introduction of 20mph, which is specifically what you are not requesting (and that information is already published on StatsWales).

If you are dissatisfied with the Welsh Government’s handling of your request, you can ask for an internal review within 40 working days of the date of this response.

Requests for an internal review should be addressed to the Welsh Government’s Freedom of Information Officer at:

Information Rights Unit
Welsh Government
Cathays Park
Cardiff
CF10 3NQ
or e-mail: Freedom.ofinformation@gov.wales

Please remember to quote the ATISN reference number above.

You also have the right to complain to the Information Commissioner. The Information Commissioner can be contacted at:

Information Commissioner’s Office
Wycliffe House
Water Lane
Wilmslow
Cheshire
SK9 5AF

Website: www.ico.org.uk

However, please note that the Commissioner will not normally investigate a complaint until it has been through our own internal review process.

Yours sincerely
