This has been submitted to support SAVE's call-in request – I'd suggest it's forwarded to [REDACTED] in planning, who I think is coordinating the response to the three requests, to acknowledge.

Thanks

Thanks [REDACTED],

A Ministerial response is not required. I'm copying to colleagues within Cadw for them to note.

Mike, Matthew, Aimee, SAVE Britain's Heritage are requesting confirmation that the additional evidence has been received – I am not sure if you or planning would be able to do that?

Thanks,

Lowri Harries
