Dear

Request for Information - ATISN 26383

Thank you for your refined request for information dated 19 November 2025. You have asked for:

- Any data on file for the A40 crossing which goes from Raglan to Dingestow via Groesonen Road from 2022 to date.

It is still not clear to me what data you are asking me to search for. A search on our electronic storage system for "A40 crossing, Raglan to Dingestow, Groesonen Road" only yielded 8 items, for example, a land ownership ledger, 2023 review of accident description, shortened procedures – recfind migration data, Wales Property Inventory Selection – trip advisor. I am uncertain if these documents would include the information you are asking for.

In order for me to search for the exact information you are seeking, it would be helpful if you could provide a more specific request for information, what kind of "data" do you want me to search for? If you do refine your request in this way, this will be treated as a new request. I'm unable to process your request as it stands as I remain unclear about what information/data you would like me to search for.

If you have any queries about this request, please do not hesitate to contact me at the address below. Please remember to quote the reference number above in any future correspondence.

Yours sincerely
