Dear

Complaint in respect of ATISN 26812

I have considered your complaint in accordance with the procedure outlined in the [Welsh Government's Practical Guide for Making Requests for Information](#) which is available by post on request or via the internet.

I do not believe that it is was an unreasonable response to the initial request for the Welsh Government to undertake a search of its systems for the type of information requested, alongside providing advice on how the request could be narrowed, in line with our obligations under the Freedom of Information Act. I note you have submitted a revised request relating to specific suppliers and we will be responding to that with the information held in the very near future.

Next steps

If you remain dissatisfied with this response you have the right to complain to the Information Commissioner. The Information Commissioner can be contacted at:

Information Commissioner's Office

Yours sincerely
