

Thanks [REDACTED] that's much appreciated, we'll amend the statement

A summary would be handy. We'll come back to you on Monday for a completion date if that's okay.

Regards

Subject: RE: Written Statement - Independent Call for Evidence on Gamebird Release in Wales

Hi [REDACTED]

Understood !

I haven't had a huge response from the academic institutions, and those that have responded have generally pointed us to [REDACTED] in Exeter, with whom I spoke last Friday.

I'll provide you with a summary of the responses on Monday if that would be helpful.

With regard to the statement, could you amend our name from 'Environmental Platform Wales' to its correct ' Environment Platform Wales'.

Can I just check on when you need the review completed by? Only asking as I can send out a 'Last Chance' reminder at the correct juncture.

I will also try and ascertain when the Defra supported research, projects launched in 2022, are due to report.

Best wishes,
