

**GORCHYMYN CEFNFFORDD YR A40
(SCLEDDAU, SIR BENFRO) (TERFYN
CYFLYMDER 40 MYA) 202-**

DATGANIAD O'R RHESYMAU

Yn dilyn adolygiad o'r terfyn cyflymder 50mya presennol ar hyd cefnffordd yr A40 drwy bentref Scleddau yn Sir Benfro, argymhellwyd a derbyniwyd gostyngiad yn y terfyn cyflymder o 50mya i 40mya. Nod y cyfyngiad arfaethedig yw lleihau cyflymder cerbydau ledled y gymuned, a thrwy hynny wella diogelwch ar y ffyrdd o amgylch y Gefnffordd i bob defnyddiwr.

Bydd Gorchymyn Cefnffordd yr A40 (Scleddau, Sir Benfro) (Terfyn Cyflymder 50mya) 2004 yn cael ei ddirymu gan y Gorchymyn arfaethedig.

**THE A40 TRUNK ROAD (SLEDDAU,
PEMBROKESHIRE) (40MPH SPEED LIMIT)
ORDER 202-**

STATEMENT OF REASONS

Following a review of the existing 50mph speed limit along the A40 trunk road throughout the village of Scleddau in Pembrokeshire, a reduction in speed limit from 50mph to 40mph has been recommended and accepted. The aim of the proposed restriction is the reduction in vehicle speed throughout the community, thus improving road safety surrounding the Trunk Road for all users.

The A40 Trunk Road (Scleddau, Pembrokeshire) (50mph Speed Limit) Order 2004 would be revoked by the proposed Order.
