Shwmae Elin Jones MS,

We are delighted to invite you to Green Man Trust's annual drinks reception on 22 August 2026, 1-3pm, at the Green Man festival.

The Trust is the charitable arm of Green Man, and was founded in 2014 by Fi, as a result of her increasing awareness of the economic, social and environmental challenges in Wales. By harnessing the power of the festival we drive positive change, developing emerging artists, undertake science engagement & climate action, support disadvantaged communities in Wales and offer skills training by building on the diverse range of skills within the festival to future generations and vulnerable adults.

As we look ahead, we are growing an international programme to support Welsh emerging artists, working towards becoming an accredited training body, and developing plans for a permanent home in Wales.

We would love for you to join us to hear more about our work, what lies ahead, and to meet some of the people at the heart of our projects.

(On Behalf of) Fiona Stewart
