Hi [REDACTED], thanks for this.

We need mobile phone numbers to contact them on site in case of evacuation or security issues. This is a common request, so please provide them. All guest pass recipients are asked for this information.

[REDACTED] have already sent theirs.

Can you forward them as soon as possible please.

Thanks,

Fiona

Hi

I received an email today from [redacted] and [redacted] letting me know that they will accompany Delyth to Green Man. They thought you had sent me the list of others attending with her. I searched my inbox but cannot find that information. Perhaps that information got lost in transit.

Info we need includes their names, roles, emails, mobile numbers and car registration if they are driving? Once [redacted] has this information, she can issue their E-Passes and add them to the festival occupancy list.

Could you send this information as soon as possible please?

Best,
Fiona

Hey [REDACTED] thank you for letting me know. We look forward to welcoming Delyth and her team to Green Man. Attached is a suggested Schedule and Info Pack.

Can you send me a list of attendees, including their Name, Role, Email, Mobile and Car Registration if they are arriving by car. Green Man sold out of all commercial tickets last September. Only E-Passes (which have no commercial value and cannot be exchanged or sold) are available and will be emailed to your team. Please print them out or download them to your phone before you arrive, as they must be scanned upon entry to comply with our licence occupancy and security terms.

We have included Delyth as available for interview. We will screen this but if anything suitable comes up, we will discuss it with you. The Times previously showed interest in Adam Price regarding an economic angle. Is there a way within Delyth's role to angle toward that topic? No worries if not..

Will you be bringing a videographer, social media coordinator, or photographer? If so, I think it would be helpful to chat about it so you get the best out of the day.

I have responded using my [REDACTED] email. Could you please use this email instead of my personal one, and include [REDACTED] on all correspondence....

As with Rhun, we really want to make this a positive experience for Delyth, and those eager to meet her. We want to focus on both engagement and leveraging the soft power of Green Man. If you have any queries or comments please contact me, and either I or others who work with me will respond as soon as possible.

Please send the list of attending supporting officers who require E-Passes as soon as possible so we can add them to the festival occupancy list.

Diolch yn fawr iawn,

Fi

Prynhawn da, Fiona

I'm just emailing you to inform you that the Deputy Minister will be attending Green Man on the Friday – from 12:00 to 16:30.

She is looking forward to engaging with you and participating in the event at 3pm, and would also like to understand whether it would be possible to look at some of the mental health spaces as well as mother and baby spaces to discuss their experience. If there are any further engagements that you believe it would be useful to make us aware of, please let me know.

Best,
