

Meeting notes – Welsh Government and Taylor Wimpey Monitoring meeting 18th September 2026

Victoria Wharf Internal Works: [Redacted – personal information] asked [Redacted – personal information] to clarify the position on historic internal works at Victoria Wharf so they could respond factually to [Redacted – personal information] and residents; [Redacted – personal information] explained that further compartmentation information is required before responsibilities, and funding can be agreed with First Port.

[Redacted – not applicable to this request]

Follow-up tasks

Victoria Wharf Investigation: Obtain the latest progress update from the team and FirstPort on the additional investigations and send [Redacted – personal information] the current position. [Redacted – personal information]

[Redacted – not applicable to this request]

Speaker notes

- **Victoria Wharf Internal Works and Funding Scope:** [Redacted – personal information / provided in confidence] the reports provided by PRP gave a useful indication of issues but did not constitute a fully comprehensive compartmentation survey, meaning further investigations were required before responsibilities could be agreed. [Redacted – provided in confidence]
