Dear

ATISN 27566 Cabinet Minister for Rural Resilience and Sustainability meeting with the National Farmers Union Cymru, and / or the Farmers Union of Wales, and / or the Country land and Business Association (CLA).

Information requested

Thank you for your request which I received on 24 September 2026. You asked for a list (including dates) of all the meetings, events or visits the Cabinet Minister for Rural Resilience and Sustainability has had with representatives of the National Farmers Union (NFU-Cymru), and / or the Farmers Union of Wales (FUW), and / or the Country land and Business Association (CLA) between 10 May 2026 and 24 September 2026.

Our response

The information you requested has been published on the [Ministerial meetings and engagements](#) log, where you will see a spreadsheet tab for each Welsh Government Minister and Deputy Minister.

Further to the published log, there are some events which require additional clarification:

- NFU Cymru were involved in an event hosted by GWCT Cymru (25/06/2026).
- They are not specified individually on this log, however all three organisations subject to this request are invitees to wider group events such as the Sustainable Farming Scheme Ministerial Stakeholder Group (02/07/2026), and the Control of Agricultural Pollution Regulations Review Task and Finish Group (14/07/2026).

There may be other events and meetings attended by the Minister but not controlled by the Welsh Government, where other organisations may be present, but where we hold no recorded information to confirm who attended.
