Morning all.

Would this be a topic to raise for discussion in any planned next round table events re adult ADHD? I know that doesn't really answer the original query asked by the English CIC but it sounds as though <redacted s40(2)> is keen to discuss further at a national level at least initially while shared care work with GPs in Wales is at an early stage.

Hi <redacted s40(2)>

Thank you for this,

<redacted s40(2)>, <redacted s40(2)>, your guidance appreciated on how I respond to <redacted s40(2)> email below, to enable me to acknowledge her query.

Bw
