Subject: RE: Adult ADHD - subgroups and recommendations

Hi <redacted s40(2)>

Apologies if I have missed the ongoing thread. How are we progressing here?

Subject: Adult ADHD - subgroups and recommendations

Hi <redacted s40(2)> and <redacted s40(2)>,

Thanks for meeting with us yesterday. As promised here is the list of subgroups that we are looking to establish to address the recommendations developed from the Adult ADHD roundtable meeting in July.

I would be grateful if you could have a look over and make any suggestions for membership, including where you think you would be best placed.

Many thanks
