Subject: Glyndŵr National Park Designation Order - Denbighshire County Council's Response

Bore da

Denbighshire County Council's position has already been put forward as part of the statutory consultation 2025. However, we have been advised that in order to formally object and thereby cause the Minister to hold a local public inquiry, it is necessary to confirm an objection formally to Welsh Government (WG) during this public notice period.

On behalf of Denbighshire County Council, please find attached resubmission of the existing response made during the 2025 statutory consultation, thereby lodging a formal objection.

I would be grateful if you could acknowledge receipt of my email.
