Dear [redacted]

**PROPOSED GLYNDWR NATIONAL PARK DESIGNATION ORDER**
**RESPONSE OF FLINTSHIRE COUNTY COUNCIL**

Thank you for the opportunity to respond to the Public Notice period relating to the above.

As you are aware, the Council responded to the public consultation period in December 2024 and the statutory consultation period in November 2025, raising a number of concerns.

I attach a copy of the Council's response dated 28th November 2025. I confirm, in the absence of any compelling additional information which overcomes these concerns, that this remains the Council's position in relation to the proposed designation of Glyndwr National Park.

Yours sincerely

Dave Hughes
Leader of The Council
