Dear Sir/Madam,

Please find attached two letters dated 31st July 2026 which give joint notification of a change of ownership and operational responsibility at the Ffos y Fran Site from Merthyr (South Wales) Limited to Ffos y Fran Properties Limited.

The letters also request the substitution of the applicant of the conjoined called-in planning applications P/25/0037, P/25/0334 and 25/0873/NCC, from Merthyr (South Wales) Limited to Ffos y Fran Properties Limited.

I would be grateful if you could acknowledge safe receipt of this email and confirm that the records have been updated accordingly and whether any revised application forms, ownership certificates, notices, title documents or further authorisations are required to complete the administrative change?

Kind Regards,

Chris
