Dear [redacted]

Thank you for your letter of 18 May. I appreciate you taking the time to set out your views and for the information on the work Green GEN Cymru is undertaking.

I note that you have raised a variety of energy and grid related topics within both your letter and in your paper reviewing our 100 day plan.

A modern, resilient and expanded electricity network will be fundamental to positioning Wales as a competitive destination for low carbon investment and industrial growth. I would be pleased to meet with you to discuss your points in more detail.

Officials will be in touch to explore availability and suitable arrangements.

Yours sincerely,

Adam Price AS/MS
