- (a) Local authority estimates of average number of recipients during the year for 1985-86. From 1989-90 estimates are given based on caseload information at the end of the months of May, August, November and February. Figures refer to benefit units which may be a single person or a couple. Data include estimates for any non-responding authorities and figures for rent allowances include tenants of registered social landlords.
- (b) Data for the year 1985-86 are the amounts paid to local authorities and new towns. This is not directly comparable with the amounts granted to recipients. The data from 1989-90 onwards are not available in the same terms as earlier years. The amounts shown represent the authorities actual expenditure as benefit granted to claimants.

- (a) Amcangyfrifon awdurdodau lleol o gyfartaledd nifer y derbynwyr yn ystod y flwyddyn am 1985-86. O 1989-90 mae'r amcangyfrifon yn seiliedig ar wybodaeth am achosion ar ddiwedd misoedd Mai, Awst, Tachwedd a Chwefror. Mae'r ffigurau'n cyfeirio at unedau budd-dâl a allai fod yn berson sengl neu'n bâr. Mae'r data'n cynnwys amcangyfrifon ar gyfer unrhyw awdurdodau sydd heb ymateb ac mae'r ffigurau ar gyfer lwfansau rhent yn cynnwys tenantiaid landlordiaid cymdeithasol cofrestredig.
- (b) Y data am y flwyddyn 1985-86 yw'r symiau a dalwyd i awdurdodau lleol a threfi newydd. Nid yw'r hyn i'w gymharu'n i'w cymharu'n uniongyrchol â'r symiau a roddwyd i dderbynwyr. Nid yw'r data o 1989-90 ymlaen ar gael yn yr un ffordd ag am flynyddoedd cynharach. Mae'r symiau a ddangosir yn dangos union wariant awdurdodau fel budd-dâl a roddwyd i hawlwyd.

- (a) Estimates at third Tuesday in month up to January 1966 and at first Tuesday in month thereafter, based mainly on new claim to benefit. Invalidity benefit was introduced on 23 September 1971. From 6 April 1983 Statutory Sick Pay was introduced for a maximum of 8 weeks sickness absence in a tax year. From 6 April 1986 Statutory Sick Pay is payable for up to 28 weeks in any one period of incapacity for work. Incapacity benefit replaced Sickness Benefit and Invalidity Benefit from 13 April 1995. These figures will include Credit Only cases. Unemployment benefit was replaced by Jobseeker's Allowance in November 1996. Based on a 100 per cent count of claimants in Great Britain up to November 1994. From February 1995 figures are based on a 5 per cent sample. Some figures unavailable for unemployment benefit during 1981 and 1985 due to industrial action. There were 1,000 cases in November 1996, 2,000 cases in February 1997, 1,000 cases in May 1997, 1,000 cases in August 1997 and 1,000 cases in November 1997 who received income-based JSA but also would be entitled via the contributory route.

- (a) Estimates at third Tuesday in month up to January 1966 and at first Tuesday in month thereafter, based mainly on new claim to benefit. Invalidity benefit was introduced on 23 September 1971. From 6 April 1983 Statutory Sick Pay was introduced for a maximum of 8 weeks sickness absence in a tax year. From 6 April 1986 Statutory Sick Pay is payable for up to 28 weeks in any one period of incapacity for work. Incapacity benefit replaced Sickness Benefit and Invalidity Benefit from 13 April 1995. These figures will include Credit Only cases.
- (b) Unemployment benefit was replaced by Jobseeker's Allowance in November 1996. Figures are based on a 5 per cent sample. There were less than 1,000 cases in all quarters to May 2003 who received Income-based JSA but who had underlying entitlement to Contribution-based JSA

- (a) A 'new claim' means a claim submitted at the beginning of a spell of incapacity for work. If a person has several spells of incapacity for work during the year, each spell is counted as a new claim. The figures include a relatively small number of claims which did not result in the payment of benefit. The figures are based on a 100 per cent clerical count and are subject to amendment.
- (b) Contributory invalidity benefit was introduced from 23 September 1971 and new claims for contributory invalidity were also included from 20 November 1975 until March 1984. From 1 June 1981 until 31 March 1984 new claims for housewives' non-contributory invalidity pension are included. From 6 April 1983 Statutory Sick Pay was introduced. Incapacity benefit replaced sickness benefit and invalidity benefit from 13 April 1995.
- (c) Injury benefit was abolished from 6 April 1983.
- (d) Information on unemployment benefit new claims was last collected by the Department of Social Security in December 1994. The Office for National Statistics publish information on the number of claims each month in 'Labour Market Trends'.

- (a) Mae 'cais newydd' yn golygu cais wedi'i gyflwyno ar ddechrau cyfnod o fethu â gweithio. Os bydd person yn cael nifer o gyfnodau o fethu â gweithio yn ystod y flwyddyn, bydd pob cyfnod yn cyfrif fel cais newydd. Mae'r ffigurau'n cynnwys nifer cymharol fach o geisiadau na olygodd dalu budd-dâl. Mae'r ffigurau wedi'u seilio ar gyfrifiad clerigol 100 y cant ac maent yn agored i'w diwygio.
- (b) Cyflwynwyd budd-dâl analluedd cyfrannol o 23 Medi 1971 ymlaen a chynhwyswyd ceisiadau newydd am analluedd cyfrannol hefyd o 20 Tachwedd 1975 hyd at Mawrth 1984. O 1 Mehefin 1981 hyd at 31 Mawrth 1984 cynhwysir ceisiadau newydd am bensiwn analluedd anghyfrannol gan wragedd tŷ. O 6 Ebrill 1983 ymlaen, cyflwynwyd Tâl Salwch Statudol. Disodlwyd budd-dâl salwch a budd-dâl analluedd gan fudd-dâl analluogrwydd o 13 Ebrill 1995 ymlaen.
- (c) Dilewyd budd-dâl anafiadau o 6 Ebrill 1983 ymlaen.
- (d) Yn Rhagfyr 1994 y casglwyd gwybodaeth am geisiadau newydd am fudd-dâl diweithdra ddiwethaf gan yr Adran Nawdd Cymdeithasol. Mae'r Swyddfa Ystadegau Gwladol yn cyhoeddi gwybodaeth am y nifer o geisiadau bob mis yn 'Labour Market Trends'.
